

Dear Law Enforcement Professional,

January 5, 2015

The Jones County Safe and Healthy Youth Coalition will be hosting a “Prescription Drug Crimes Training” on Tuesday, April 14, 2014. This seminar will be held at the Lawrence Community Center at 600 E. Main St. in Anamosa, IA. Two identical trainings will be held for your law enforcement schedule convenience. The morning training will be from 8-Noon. Registration begins at 7:45 a.m. so we can begin promptly at 8. The identical afternoon training will be from 1 – 5 p.m. Registration for the afternoon will be at 12:45. Snacks and beverages will be available at both trainings.

This FREE seminar is for Jones County and any surrounding law enforcement and employees of local police and sheriff departments, as well as the State Patrol. The goal is to raise awareness and ultimately reduce the availability of illegal prescription drugs in our county and eastern Iowa that can lead to drug crimes and other negative related incidents.

Purdue Pharma has tailored this non-promotional educational presentation for law enforcement professionals. Instructors are former officers with experience investigating crime associated with pharmaceutical drug diversion. Each participant will be given a packet containing resource materials that can be useful to their departments and communities.

Topics to be covered at the upcoming seminar include:

- Prescription drug identification
- Lawful prescribing and current trends
- RxPatrol

To register for this training please contact: Jennifer Husmann with the Jones County Safe and Healthy Youth Coalition at 319-462-5030 or email jhusmann@asac.us. Registration is limited to 25 participants in each session, so register early!

All who attend will learn ways in which they can partner with the coalition to prevent prescription drug misuse and abuse. Thank you in advance for making it a priority to have as many officers in your department trained as possible.

Sincerely,

Jennifer Husmann
Project Coordinator
